Saturday, June 15, 1907

Blessed is the man who loves  
his wife's relations, but he is  
scarce.

Many a man has kept his New  
Year's resolutions—by dying on  
January 2nd.

Some men are like silver-plated  
knives; they look bright, but are  
usually dull.

Never marry a girl who is not  
afraid of a mouse, unless you  
want to play second violin.

A lawn mower is an appropriate  
wedding present for a man  
who marries a grass widow.

A boarding-house is the place  
to get substantial food. It is often  
so substantial that you can't chew it.

A visit is when you go to see  
your mother-in-law; a visitation  
is when the old lady comes to  
see you.

When you make a present to  
a woman, always leave the cost  
tag on it; it will save her a trip  
down town.

Carriages were in use long before  
George Washington introduced  
the cherry-tree hack in America.

A waitress may not know how  
to deal a pack of cards, but she  
can easily raise the deuce by  
dropping a tray.

Some men go to church and  
clasp their hands so tight during  
prayer that they can't get them  
open when the contribution box  
is passed.

There is a patent pending on  
a noiseless baby carriage. Now  
if some one would only discover  
a noiseless baby, what a shower  
of blessings he would receive.

I will mail you free, to prove merit,  
samples of my Dr. Shoop's Restorative,  
and my book on either Dyspepsia, The  
Heart or the Kidneys. Troubles of the  
stomach, heart or kidneys, are merely  
symptoms of a deeper ailment. Don't  
make the common error of treating  
symptoms only. Symptom treatment is  
treating the result of your ailment, and  
not the cause. Weak stomach nerves—  
the inside nerves—mean stomach weakness,  
always. And the heart and kidneys  
as well, have their controlling or inside  
nerves. Weaken these nerves, and you  
inevitably have weak vital organs.  
Here is where Dr. Shoop's Restorative  
has made its fame. No other remedy  
even claims to treat the "inside nerves."  
Also for bloating, biliousness, bad breath  
or complexion, use Dr. Shoop's Restorative.  
Write me today for sample and  
free book. Dr. Shoop, Racine, Wis.  
The Restorative is sold by all dealers.

Wife Wanted—Any gal what's  
got a bed, a coffee-pot, skillet,  
knows how to cut out breeches,  
can make a huntin' shirt, and  
knows how to take care of children,  
can have my services till

things that he would rather not know.

Tetter Cured.

A lady customer of ours had suffered  
with tetter for two or three years. It got  
so bad on her hands that she could not  
attend to her household duties. One box  
of Chamberlain's Salve cured her. Chamberlain's  
medicines give splendid satisfaction  
in this community.—M. H. Rodney & Co., Almond, Ala. Chamberlain's

Every Man His Own Doctor.

The average man cannot afford to employ  
a physician for every slight ailment  
or injury that may occur in his family,  
nor can he afford to neglect them, as so  
slight an injury as the scratch of a pin  
has been known to cause the loss of a  
limb. Hence every man must from necessity  
be his own doctor for this class of ailments.  
Success often depends upon prompt  
treatment, which can only be had  
when suitable medicines are kept at hand.  
Chamberlain's Remedies have been in the market  
for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea  
Remedy for bowel complaints.  
Chamberlain's Cough Remedy for  
coughs, colds, croup and whooping  
cough.

Chamberlain's Pain Balm (an antiseptic  
liniment) for cuts, bruises, burns,  
sprains, swellings, lame back and rheumatic  
pains.

Chamberlain's Stomach and Liver Tablets  
for constipation, biliousness and  
stomach troubles.

Chamberlain's Salve for diseases of the  
skin.

One bottle of each of these five preparations  
costs but \$1.25. For sale by Ritter Bros.  
Drug Co.

## PAIN

Pain in the head—pain anywhere, has its cause.  
Pain is congestion, pain is blood pressure—nothing  
else usually. At least, so says Dr. Shoop, and to  
prove it he has created a little pink tablet. That  
tablet—called Dr. Shoop's Headache Tablet—  
coaxes blood pressure away from pain centers.  
Its effect is charming, pleasantly delightful. Gently,  
though surely, it surely equalizes the blood circulation.  
If you have a headache, it's blood pressure.  
If it's painful periods with women, same cause.  
If you are sleepless, restless, nervous, it's blood  
congestion—blood pressure. That surely is a  
stinty for Dr. Shoop's Headache Tablets stop it  
in 20 minutes, and the tablets simply distribute  
the unnatural blood pressure.  
Bruise your finger, and doesn't it get red, and  
swell, and pain you? Of course it does. It's congestion,  
blood pressure. You'll find it where pain  
is—always. It's simply Common Sense.  
We sell at 25 cents, and cheerfully recommend

Remarkable Rescue.

That truth is stranger than fiction, has  
once more been demonstrated in the little  
town of Fedora, Tenn., the residence  
of C. V. Pepper. He writes: "I was in  
bed, entirely disabled with hemorrhages  
of the lungs and throat. Doctors failed  
to help me, and all hope had fled when I  
began taking Dr. King's New Discovery.  
Then instant relief came. The coughing  
soon ceased; the bleeding diminished  
rapidly, and in three weeks I was able  
to go to work." Guaranteed for coughs  
and colds 50c and \$1.00, at Ritter Bros.  
Drug Store. Trial bottle free.

**NOTICE**

United States Land Office,  
Salt Lake City, Utah,

May 19th, 1907.

To Whom It May Concern:

Notice is hereby given that the  
State of Utah has filed in this  
office a list of lands, under section  
6 of the Act of Congress, approved  
July 16, 1894, as follows, viz:

NE 1-4 NE 1-4 Sec. 18, & N. 1-2  
N. W. 1-4 Sec. 17, T. 14 N., R.  
16 W., (State No. 269, U. I. R.).

A copy of said list, so far as it  
relates to said tracts, by descriptive  
subdivisions, has been conspicuously  
posted in this office for inspection  
by any person interested, and by the public generally.

During the period of publication  
of this notice, under departmental  
instructions of April 25,  
1907, protests or contests against  
the claim of the State to any of  
the tracts or subdivisions hereinbefore  
described, on the ground  
that the same is more valuable  
for mineral than for agricultural  
purposes, will be received and  
noted for report to the General  
Land Office at Washington, D.  
C. Failure so to protest or contest,  
within the time specified,  
will be considered sufficient evidence  
of the non-mineral character  
of the tracts, and the selection  
thereof, being otherwise free  
from objection, will be recommended  
for approval.
